## 1.1. El Programa de Naciones Unidas para el Desarrollo en Nepal.

### 1.1.1. Visión General

La organización dispone de oficinas en 4 ciudades del país: Dhangadi, Surkhet, Butwal y Biratnagar.

El PNUD trabaja en coordinación con otras agencias de la ONU en Nepal, y sus actividades están guiadas por su Documento del Programa de País (2018-2022) acordado con el Gobierno de Nepal bajo el Marco de Asistencia de las Naciones Unidas para el Desarrollo (UNDAF) 2018-2022. Este documento puede encontrarse en el siguiente enlace (pinchar [AQUÍ](#)).

El trabajo del PNUD en Nepal se centra en 3 áreas:

- Crecimiento económico inclusivo.
- Gobierno democrático, legislación y derechos humanos.
- Resistencia, reducción de los riesgos por desastres naturales y cambio climático

En 2018, con la asistencia del PNUD, se estableció la Plataforma de Localización de ODS, que reunió al gobierno y a todas las partes interesadas en una misión unificada de la Agenda 2030.

Asimismo, en 2018 el PNUD concluyó su programa insignia de reducción de la pobreza, el Programa de Desarrollo de Microempresas (MEDEP), creando 140.000 microempresarios. Tras los resultados positivos del programa, el Gobierno ha lanzado su propia versión.

Con la ayuda del PNUD, Nepal está desarrollando su política nacional y plan estratégico para reducir el riesgo de desastres y lograr una nación resiliente. Además, el PNUD ha ayudado al Gobierno a acelerar la reconstrucción tras el terremoto, asegurándose de que todos los edificios nuevos cumplan con los códigos de construcción para resistir mejor futuros desastres.

Todas las tareas que realiza PNUD en estos ámbitos se orientan a alcanzar los Objetivos de Desarrollo Sostenible (ODS).

El PNUD trabaja en colaboración con otras agencias de la ONU en el país. Algunos ejemplos son:

- PNUD y UN HABITAT, UNICEF, UNFPA Y UNHCR: trabajan conjuntamente para la localización de ODS, así como para luchar contra la violencia de género.
- Bajo la dirección de la oficina residente de la ONU, organizaron unas jornadas de Innovación para el Desarrollo Sostenible.
- Junto a UNFPA y el Consejo Nacional de la Juventud, se organizaron unas jornadas para ayudar a la juventud a entender la democracia parlamentaria, así como a construir sus capacidades de liderazgo.
- Junto a otras agencias de la ONU, el PNUD ha producido material audiovisual para la promoción de los ODS.
- En colaboración con UNHCR, ILO y WHO, han apoyado acciones a favor de los derechos humanos.

### 2.1.3. Proyectos del PNUD en Myanmar en 2019

En 2019, hay 37 proyectos del PNUD activos. Los proyectos giran en torno al fortalecimiento y mejora de instituciones formales e informales y, en menor medida, promoción del desarrollo económico inclusivo:

- Mantenimiento y promoción de la paz a través de las instituciones y de la sociedad civil.
